

Now The Only Authentic Book

The Quran is the last and final Book from God. The Quran is unique because it is still in its original form, in the Arabic language, without change or alteration for over 1400 years. It is the same book – word for word – revealed to Prophet Muhammad.

The reason the Quran is still the same is because it has been in the hands and hearts of the public since it was revealed. It was memorized by the people at the time of Prophet Muhammad as it was revealed, and then passed on through memorization from generation to generation, and finally it was put into print for everyone who could not or did not memorize it.

Death and Day of Judgement

Think about it. Why are we here? Where did we come from? Where are we going after this?

These are vital questions we should be asking ourselves. God gave us intellect to use. Life and death are a test from God to see who is righteous and best in behaviour.

Muslims believe there is a day of judgement coming when every single person will be rewarded or punished according to his or her deeds in this worldly life. Those who accept the divine message of God and surrender humbly to God, and follow God's commandments, will be rewarded Paradise eternally in the hereafter. The disobedient and rebellious people who deny their Lord and reject God's message will be punished in Hellfire.

Make Your Decision Now Before It Is Too Late

If you believe there is only one God who alone deserves our love, devotion and worship, and believe in all God's prophets, including Jesus and finally

Muhammad, then you are already a Muslim (a Person who submits to the one true God). All you need now is to pronounce the declaration of faith in front of witnesses. With the declaration of faith, you enter into Islam purely for the pleasure of God, and all of your previous sins, no matter how many and how big they may be, are forgiven by the merciful God, and you start a new life with a clean slate.

The Declaration of the Faith

"LA ELAHA ILLALLAH,
MUHAMMADUR
RASULLULLAH"

Translation:

"I testify that there is no god (deity) worthy of worship but the one true God, and that Muhammad is God's Messenger (Prophet)."

* The use of masculine gender for God in the texts above is due to the limitation of the English language, which does not have a neutral gender except for things.

One Unique God without Partners, Sons, Wives

God says in the Noble Quran:

1. Say, "He* is God, [who is] One, God, the Eternal Refuge. He* neither begets nor is born, Nor is there to Him* any equivalent." (Quran 112:1-4)

2. And your god is one God. There is no deity [worthy of worship] except Him*, the Entirely compassionate, the Especially Merciful. (Quran 2:163)

3. Indeed, he who associates others in worship with God – God has forbidden him Paradise and his refuge is the Fire. (Quran 5:72)

4. God – there is no deity except Him*, the Ever-Living, the Sustainer of [all] existence. Neither drowsiness overtakes Him* nor sleep. To Him* belongs whatever is in the heavens and whatever is on the earth. (Quran 2:255)

5. Worship God and associate nothing with Him*, and to parents do good, and to relatives, orphans, the needy, the near neighbour, the neighbour farther away, the companion at your side. (Quran 4:36)

The Holy Bible says:

1. "The Lord our God is one Lord." (Matthew 12:29)

2. "Hear, O Israel: The Lord our God, the Lord is one" (Deuteronomy 6:4)

3. "One came and said unto him, Good Master, what good thing shall I do, that I may have eternal life? And he (Jesus) said unto him, Why callest thou me good? There is none good but one, that is, God." (Matthew 19:16-17)

4. "Then Jesus said to him, 'Away with you, Satan! For it is written, 'You shall worship the Lord your God, and Him only shall you serve.'" (Matthew 4:10)

5. "Jesus answered him, 'The first of all the commandments is: 'Hear, O Israel, The Lord our God, the Lord is one, and you shall love the Lord, your God, with all your heart, with all your soul, with all your mind and with all your strength.'" (Mark 12:29-30)

Jesus and Moses (Peace and blessings of God be upon them) are God's messengers too.

Signs of God

If we carefully examine the signs around us, the different kinds of birds, the beautiful designs and colours, the different animals, the scientific discoveries, the heaven above us standing without pillars, the earth rotating in a precise accurate motion, the movement of sun and moon, alteration of day and night, the amazing human body with all its complex functions, all these signs tell us about a highly intelligent being who has designed, created, and maintains these things.

God has no beginning or end. Before anything came into existence there was God. By God's divine power and intelligence God brought the universe into existence. The first human being God created was our father Adam. From him God created his wife, Eve (Adam and Eve were created without parents). From them God created the rest of humanity.

Prophets and Messengers

This merciful and compassionate God did not leave us without guidance in this world, but since the beginning of time, God sent us prophets and messengers starting with Adam and including Noah,

Abraham, Jesus, and concluding with Muhammad (Peace and blessing of God be upon them all).

They all came with one divine mission: to call the people to "Worship God alone and avoid worshipping other gods".

There is one true, unique God of this universe who alone deserves to be obeyed and worshiped. We all belong to one human race and have one true religion which was conveyed to us by all the Prophets of God.

Divine Books and Scriptures

Out of God's love for humanity God also sent us divine scriptures and books through messengers to show us how to live most righteously and judge right from wrong. God has sent many books including scrolls with Prophet Abraham, Torah with Moses Zaboor with David, Gospel with Jesus and finally the Quran with Muhammad (Peace and blessing of God be upon them all).
